

J AUSAS has distinguished litigation and arbitration practices. We also assist our clients in the enforcement of foreign judgements in Spain, as well as in the preparation and follow-up of lawsuits arising under other countries' jurisdictions. Our litigation team is also experienced in issuing opinions on Spanish law to be used in foreign courts.

The principal services offered by our practice area of Litigation and Arbitration include:

- Advice on judicial proceedings in civil law, commercial law, administrative law, criminal law and tax law.
- Pre-litigation advice.
- Intervention and legal advice in ad hoc and institutional arbitration proceedings.
- Assistance and intervention in conflictual situations arising in businesses.
- Advice, planning and negotiation regarding suspension of payments, creditors' meetings and bankruptcies.
- Advice on claims arising from contractual relations.
- Advice on antitrust and unfair competition issues.
- Advice on intellectual property claims.
- Advice on product liability, consumer and user claims as well as on extra-contractual responsibility.
- International proceedings.
- Recognition and execution of national and foreign judgements and sentences.
- International arbitration.
- Conflict mediation.
- Defence of fundamental.
